

## About Us

The overall goal of *Growing Beginning Farmers and Ranchers* in Wyoming is to provide education, mentoring, and technical assistance to offer beginning farmers and ranchers the knowledge, skills, and tools needed to make informed decisions for their operations, and enhance their sustainability.

## 2022 Growing Program Success

- 7 hosts were paired with interns
- One intern started an enterprise with animals purchased from host ranch
- Multiple operators have inquired about applying to become a host for 2023

"It was a useful and education[al] program that I think benefitted both us and our intern" - 2022 Host

## Become A Host

- Submit an application (required for both interns and hosts)
- Receive notice of acceptance from the Growing Team
- Get matched with an intern
- Provide adequate room and board for the successful intern
- Mentor and supervise the intern for 10 weeks
- Stipend payment covered by Growing Program for the intern
